

I AM HERE

I am a high school junior, a midfielder in soccer, a photographer and a member of **BBYO- Wisconsin Region**, which is supported by the Milwaukee Jewish Federation. As president of my BBYO chapter, I have developed strong leadership skills that will stay with me for life. I also feel more connected to Judaism through BBYO. Being Jewish is more than saying prayers; it's who I am.

– Sydney Stelzer

I AM READY.
