

I AM HERE

I am a gardener, a chef, an entrepreneur and a supporter of **Women's Philanthropy** of the Milwaukee Jewish Federation. I believe that women come from a place of the heart more than the mind, and it's important for us to be vocal about this in our charitable giving. Women's Philanthropy gives women an opportunity to speak from the heart and put our money where it matters most.

— *Barbara Glazer*

I AM READY.
