2013 Annual Campaign Allocations National and Overseas

No gift touches more lives than a gift to the Milwaukee Jewish Federation. Not only does your gift benefit our local Jewish community, it also benefits Jews across the United States, in Israel and around the world.

From last year's Annual Campaign, \$4.41 million (69%) was distributed to agencies in southeastern Wisconsin and \$1.97 million (31%) was distributed to agencies serving Jews in the U.S. and overseas.

Agencies Serving the United States

The national agencies serving Jews in the United States support many of our Milwaukee agencies.
